

Today which is July 4 we went on a
tour to sveadal. The drive was
about 30 mins and very fun because
we saw very lush area of grass
and plants. When we got there
they all welcomed to club and thanked
us for coming all that way.
After that we went down the
hill to eat breakfast. The breakfast
was very Yummy! The breakfast
included pancakes, Eggs, Ham, and
watermelon. In sveadal their had
a raffle and very cool
prizes like a spa kit and
a coffee kit and other
things. On the way

back I could hear ~~the~~
birds and different animals.
That was the trip
to Sveddal.
