

ANNOUNCING:
THE 41st SANTA CLARA VALLEY MODEL T FORD CLUB
LOWLAND TOUR
June 13th, 2010

The 41st Lowland Tour will once again be held in conjunction with our Cross Country Speedster Endurance Run. We would like to invite you and your friends to join us in our Lowland Tour, a leisurely vintage automotive event on June 13th. This will bring together more than 50 restored and original vintage automobiles and 50 vintage speedsters. This is a return to the charm and pleasure of a day of leisurely touring with vintage touring cars, vintage speedsters, and vintage clothing. This event is open to all makes and models of restored and original early vintage automobiles (pre-1940 please).

We will join the Endurance Run at the start line on Santa Clara Street at 2nd Street in San Jose, the site of the original Endurance run 41 years ago. We'll join them for the National Anthem, "Gentleman start your engines" and the roar of the engines as the green flag waves the start. Then we'll be off for our own slower start and more leisurely run through the countryside to join the speedsters again for a lunch at the Half Way Line Festivities. Our afternoon tour will end at Bertolotti's, 505 Laurelwood Road, in Santa Clara to cheer in the speedsters at the exciting end of their 200 mile run.

Lowland tour participants will receive maps, directions, programs, coffee stop, event dash-plaque, lunch and, most importantly, unbelievable memories (bring your camera!). This event is all about the fun and pleasure of a vintage automotive event. Even if you and your friends are unable to join the tour, please join us at the start or finish line just for the rare opportunity to see and hear the cars in action and watch the frenzied drivers and mechanics perform their endurance run tasks. Era clothes are encouraged or at least a hat.

An additional treat for registered entrants will be an optional BBQ on Saturday, June 12th, to be held in conjunction with one of the speedster tech inspections at the spectacular Bertolotti antique, automobile collection in Santa Clara.

This tour will be limited to 60 cars so decide early. The SCVMTFC web site will have additional registration forms at www.scvmtfc.org or you can contact Larry Johnson at 408-354-1261, eikoj@earthlink.net
