

# Calistoga Classics

## Revisited

March 27<sup>th</sup>, 2010

Finally!!! After several years of procrastinating..... on the 35<sup>th</sup> anniversary of the last official running of the infamous Calistoga Classics dirt track races for Model Ts, we're going to have a (long overdue) reunion. Some of us have talked about a get together like this for years and of course nothing came of it SO....**It's about time!**" Dig deep and bring all your old memories, memorabilia, photos, and especially the old movies if you have any. If you haven't done so already, please get the movies put on a dvd for the ease of viewing, as we'll be set up for showing dvds on a big ( 6 X 6 ft.) screen. I just called Costco, and the cost to put 2 hours worth of movies on a dvd is cheeeep \$19.95. **It takes 3 weeks for processing so get them in right away** and we'll all benefit. Well, as you can imagine, this could turn out to be the most fun evening you'll have all year long. Casual attire, **everyone who was there, or wants to relive the great time we had is invited to attend.** Be prepared to....."hear the amazing stories" If your car was there and you want to bring it for display we'd all love to see it, current condition is unimportant. Tables will be available to display all the memorabilia "stuff" Where? At the Candy Store in Burlingame. (Exact address upon receipt of your RSVP) What time? 6:00 PM. We won't start showing the dvds till after 7:00 PM. Cost? \$10.00 per person, includes Round Table Pizza, Beer, Soft drinks, snacks.

### RSVP absolute necessity!
